

CORPORATE PROFILE

For Startups & VC Firms

About Us

At KGMC India, we thrive every day to empower our partners to achieve growth by helping them make smart decisions. Our state-of-the-art F&A experience is tailor-made to align with your firm's ambitions.

With our 100+ years of cumulative accounting experience, we assure systems and processes that bring results. We help VC and PE Firms save time and money on Finance and Accounting functions, making decision-making efficient and faster.

Objectives & Values

The objective of KGMC is to achieve excellence in accounting & financial process outsourcing services which leads to superior business performance.

Simplifying the process in our mantra. We strive hard to simplify any process with the help of technology or sometime manually.

At KGMC, our values form the core of our organizational functioning. It determines the corporate culture of our company, speaks about our persona, and defines the way we will react in situations of crisis. They influence the way we behave towards our shareholders, partners, employees, customers and community.
